Moriah Ministries

September 27, 2022

Dear Friends,

What a fantastic day we had at CareLinc Classic for Moriah Ministries! Thanks to each one who golfed or joined us for the Steenstra Windmill Cookie Picnic!

Coach Mann, Bill Steffen, current students, our ministry staff and our alumni shared their personal perspective on all that is happening and how it is making a difference at Grand Valley, for students and in our communities. We are humbled and thankful for how God allows us to impact lives for Him.

Check out all the pics on the flip side or on our website and then check out our amazing sponsors on the 2nd page. Their financial support makes a tremendous difference to our budget bottom line!

This fall semester our Life Coaches are all providing a faithful presence around campus and specifically to the teams we serve. Ministry has been multiplied in beautiful ways with the long prayed for addition of our amazing ministry mates John and Amy Modderman. Come see them, Tony, Chap and our Lakers as they compete!

Blessings on you this season.

Chap and Val McDaniel,

John and Amy Modderman

and Tony Bonacci
