Cross Country/Track and Field Update Tony Bonacci, Chaplain

GVSU Track and Field has 160 kids on the team. This is the largest sports team at Grand Valley.

I have been building relationships with team members and have started a weekly Bible Study where we have 10-15 kids that come every week to study God's word.

A lot more kids have been calling me, texting me or grabbing me to ask for prayer, which leads to great talks about their faith and ultimately the Gospel getting preached.

I had two national qualifiers who golfed in our CareLinc Classic golf outing this year. One was the NCAA champion in the Men's Hammer throw!

Administrative Update, Peg Pyper

I have been working hard this year to make sure Val can **transition** into retirement at the end of the year! She has kept me busy and there has been a lot to learn. One big change we have worked on is online giving options. Donors now have more options for giving to *Moriah Ministries*. Check out the side bar to the left and our website at moriahministries.blog/giving/

The golf outing was once again an awesome day this year, even with the cold, wind and rain. We have such loyal partners, players, and volunteers that, no matter the weather, we have a wonderful time of fellowship, friendship and catching up. *In times of change, we usually become fearful or anxious because we're not sure of what is going to happen or how everything will unfold. But we can rest in the truth knowing that God **does** have a plan for us and that He **will** lead us on the right path when we place our **trust** in Him.*

Moriah News ~ transitions

Executive Director Update, John Modderman

It's been a very busy but rewarding year so far. I have been working with Andy McDaniel so he can **transition** into retirement at the end of the year.

I continue to attend practices and games for the men's basketball team, building relationships with team members and coaches.

I was blessed to serve the baseball team this spring. I've met many parents and players who expressed gratitude at my presence. Their head coach just resigned. **Transitions** are hard and often anxiety filled. I am thankful to have been available for them and to point those that know Jesus into putting their hope and faith in Him.

The football team, too, has a new coach. I have had contact with and served on the field this past year with Torren Scott who is pastor and official team chaplain. We will work together to provide support to this team as they **transition** to a new coach.

Chaplain Update, Amy Modderman

I had an awesome year this year with the women's basketball team. GVSU finishes out the season at #3 nationally in the final NCAA DII women's basketball power rankings! I am so proud of this team. They are amazing individuals both on and off the court.

The 2023 @gvsusoftball leave the dugouts as the D2 College World Series Runner Up's . I have enjoyed every moment witnessing them grow into the people God intended them to be. What an opportunity to minister and offer encouragement.

I, too, have been busy with summer sports camps. It's a very busy time but so rewarding.
