

Winter 24-25

a year in review

Colossians 3:15 *And let the peace of Christ rule in your hearts, to which indeed you were called in one body and be thankful.* This passage reminds me of the overwhelming peace God provided throughout the year in seasons of both pain and rejoicing. We felt both as Chap Andy was laid to rest. He was the founder of Moriah Ministries, and we rejoice that he is now with Jesus. That is the hope we live for and with which we continue to serve our community at GVSU. We rejoice at all the work God has accomplished this year through Moriah Ministries. We supported students through all kinds of journeys, and through it all helped them keep their eyes fixed on Jesus. It was a joy to witness real heart transformation in the lives of so many. We helped students step into leadership roles boldly, by partnering with FCA to have students bear witness of Jesus to over 800 secondary students. It was beautiful.

Praising GOD for 2024 Moriah Highlights:

- Salvation, baptism, and church membership for several of our students.
- Ministry of presence including Bible studies, prayer, mentoring, hospital visits, and meals to over 275 students, athletes, coaches, and staff.
- Successful Golf Outing and other fundraising events to support Moriah's Ministry.
- Board, staff, and volunteers that work so well together as one body for the kingdom of God.

THANK YOU for an awesome year. We could not have done this without **YOU!**
